*Language Variety in the South: Historical and Contemporary Perspectives*

Support for the editing of conference papers for publication and for the creation of a new website that will present state-of-the-art research on linguistic variation in the American South, resulting from the LAVIS III Symposium to be held at the University of Alabama, April 2004, and that will also serve as an ongoing public resource for developments in research on the topics addressed by the conference. The print publication will consist of two volumes of essays deriving from papers delivered at the LAVIS III Symposium, exploring language variety in the American South. The tentative title for the publication is "Language Variety in the South: Historical and Contemporary Perspectives." (24 months)
